Dental Insurance

Maple Grove Family Dental is in network with the following PPO plans: Delta Dental PPO, Cigna Dental PPO, Aetna Dental PPO, MetLife PDP, Guardian Dental and United Concordia. We also accept most other PPO plans as an out-of-network provider and will file the claim for you. We do not accept HMO / DHMO plans or Medicaid. Our front desk checks your benefits before the visit so you know your estimated out-of-pocket cost in advance.

Payment and Financing

We accept cash, all major credit and debit cards, HSA and FSA cards, and Apple Pay. For treatments over \$500 we offer financing through CareCredit with 0% interest plans for 6 or 12 months (subject to approval). Patients without insurance can join the Maple Grove Family Dental Membership Plan: \$29 per month for adults or \$19 per month for children. The plan includes two cleanings and exams per year, all routine X-rays, one emergency visit per year and 15% off all other treatments.

Dental Emergencies

Same-day emergency appointments are available Monday to Saturday during office hours for severe tooth pain, a broken or knocked-out tooth, a lost filling or crown, swelling or bleeding. Call (512) 555-0147 as early as possible. After hours, call the same number and follow the instructions to reach the on-call dentist. For a knocked-out adult tooth, keep it moist in milk and come in within 60 minutes. If you have facial swelling with fever or difficulty breathing or swallowing, go to the nearest emergency room or call 911.

Children's Dentistry

Dr. Priya Nair sees children from age 2 at Maple Grove Family Dental. We recommend the first visit by the child's first birthday or when the first tooth appears.
